NEWSLETTER APRIL 2018

Dear Parent, Guardian, Sponsor,

As we come to the end of first term of the year 2018 we thank the Almighty God for granting us a peaceful term full of His blessings.

We thank you most sincerely for the co-operation you have offered this Institution.

Kindly take note of the following:-

1. CLOSING DATE

The Institute closes on **Friday 6th April, 2018**. All students are expected to leave for their homes the same day.

2. OPENING DATE

The Institute opens for Second Term 2018 on **Monday 7th May, 2018**. All continuing students are expected to register on that day by 5.00 pm. Teaching and learning will start on **Tuesday 8th May, 2018** at 8.00 am. All students are expected to be in class by that time.

In order to ensure optimum utilization of time and enhance performance in National Examinations we urge you to ensure that the student under your care observe the date.

Any student, who fails to register on **7th May, 2018** will be expected to report for registration on **9th May, 2018** accompanied by a Parent/Guardian or Sponsor's representative with a written authority.

3. ACCOMMODATION FOR STUDENTS

The Institute has limited accommodation for both men and women. The spaces will be issued on a first-come-first-served basis to those who pay Ksh.4,500 being the full fee for accommodation.

Meals are available in the Institute's canteen on a Pay-As-You-Eat basis. It is estimated that Ksh.135 per day is enough for breakfast, lunch and dinner.

4. FEES PAYMENT

The Institute relies on school fees for its operations. We therefore urge you to pay the full fees by opening day.

We are aware that some of you may have a challenge in paying the full fees at once and wish to offer the following options:-

- a) Clear any fee arrears and accommodation and pay at least 40% of the term's tuition fees. The rest of the amount is to be paid in one month's time.
- b) Accompany the student on opening day and sign an agreement on how to clear the fees during the term.

5. LOANS AND BURSARIES

In order to ensure that all students complete their studies without interruptions, the government has availed loans and bursaries through the Higher Education Loans Board (HELB). The Institute will avail internet services for those applying for the loans. This is available for all students who apply. All CDFs and County Governments avail bursaries to all college students. Please contact your respective CDF or County Government for more details.

6. EXAMINATIONS

All students registering or KNEC Examination November series should pay the Examination fee by 20th July, 2018

7. MAY 2018 INTAKE

We shall have an intake for all our courses in May 2018. We welcome applications through direct visit to the Institute or written application through post and email. Application forms may be downloaded from our **Website: www.kinyanjutechnical.ac.ke**.
